THE SPACE

Defined by soaring ceilings and the character of its heritage exterior, Discreta pairs timeless architecture with a contemporary, highly adaptable interior. The space features a full-service bar, private VIP room, dedicated VIP tables, private washrooms, immersive lighting and a premium DJ ready sound system, complemented by a 120-inch projection screen and two 98-inch displays for presentations, branded content and custom visual experiences.

From intimate layouts to dynamic receptions and complete venue transformations, the floor plan can be fully customized, allowing every element of the room to be considered around the experience you wish to create.

THE GUEST EXPERIENCE

At Discreta, exceptional hospitality extends far beyond the room itself. From attentive service and dedicated VIP table service to bespoke catering, private security and coordinated transportation, every element can be tailored to create a seamless experience from arrival to departure.

Our approach is considered, discreet and entirely personalized — allowing hosts to remain present with their guests while every detail of the evening is handled around them.

ENTIRELY YOUR OWN

No two occasions should feel the same. From entertainment and DJ programming to lighting, custom menus, culinary experiences, décor and the finer details in between, every element can be thoughtfully tailored to your vision.

Our events team works alongside you from concept to execution, bringing each detail together to create an experience that feels distinctly, and entirely, your own.

YOUR EVENING BEGINS HERE
